

1 pipe...

... 3 fitting systems

The **ease** of **Ezi Pex Crimp**

The Ezi Pex Crimp system provides a simple and proven crimp installation method. Use Ezi Pex Crimp fittings and get the benefits of Ezi Pex pipe, combining with the ease of a crimp fitting.
Available sizes 16-32mm.

The **speed** of **Ezi Pex Push**

The latest addition to the family. A push fit system where the only tool required is a cutter. The ultimate in speedy installation as well as the benefit of full-flow fitting design with minimal bore restriction.
Available sizes 16-25mm.

The **security** of **Ezi Pex Slide**

Ezi Pex Slide provides a viable alternative to other pipe systems for hot & cold water, compressed air, rainwater, recycled water, hydronic heating and much more. Features one of the most secure joining methods available.
Available sizes 16-32mm.
