

## Product Specification Sheet

### Arch 500x900 Mirror With LED Light, Demister And Gunmetal Aluminium Frame – AR50D-GM

There is something quite special about the backlit Arch series led bathroom mirrors with demister. The round edges on the top defy the typical shaping of a mirror, and the backlit aura of light that it emits gives the mirror a sense of exclusivity. With the practical luxury of an in-built demister that defogs the mirror after a hot shower, there is something truly spectacular about this innovative design.

- ✓ Arch 500x900 mirror with LED lighting, demister and Gunmetal aluminium frame (also available matt black, brushed nickel, rose gold, brushed brass and frameless)
- ✓ All LED products must be installed by a licensed electrician in accordance with local regulations.
- ✓ Copper free
- ✓ Demister with 1-hour auto cut-off
- ✓ Touch sensor
