

Product Specification Sheet

Cubus Laundry Vanity Basin

The Cubus Laundry Basin offers a contemporary rectangular style with distinctive clean lines. Made in Italy, the stylish ceramic basin is an impressive design alternative to stainless steel tubs for laundry applications. The basin has been designed with a generous bowl capacity of 34L that is suitable for all purposes.

- ✓ Premium fine fire clay ceramic material
- ✓ Deep bowl capacity of 34 litres
- ✓ Supplied with overflow
- ✓ Includes 50mm Cubus laundry basin basket waste
- ✓ Vitreous china, white only
