Product Specification Sheet

Dignity Semi Inset Basin Solid Surface Matte White – TOPTDIG5037-TS

Semi-Inset basins are visually interesting to look at as part of the basin is hidden in the cabinet, and part of it protrudes above the benchtop. They are great for floor mount vanities to keep the height of the basin to a minimum while achieving an 'Above-Counter' look. Always consider your tapware selection when using a Semi-Inset basin to ensure the height and reach of the tap matches the height of the basin.

- ✓ Semi Inset basin
- ✓ 7L to rim
- ✓ No overflow
- ✓ Basin suits 32mm waste with overflow (sold separately)
- ✓ Matte White finish (available in gloss white)
