

Product Specification Sheet

Gatsby 450x900 Mirror With LED Light and Demister – G4590D

There is something quite special about the backlit Gatsby series. The round edges defy the typical shaping of a mirror, and the backlit aura of light that it emits gives the mirror a sense of exclusivity. With the practical luxury of an in-built demister that defogs the mirror after a hot shower, there is something truly spectacular about this innovative design.

- ✓ Gatsby 450x900 Mirror with LED lighting and demister (also available in 450 x 1200)
- ✓ Also available with aluminium frames ranging in colours (matte black, gunmetal, brushed nickel, rose gold and brushed brass) at additional cost
- ✓ All LED products must be installed by a licensed electrician in accordance with local regulations.
- ✓ Copper free
- ✓ Demister with 1-hour auto cut-off
- ✓ Touch sensor
