

Product Specification Sheet

Horizon 1.75 End Bowl Sink

With the demands of a modern family kitchen being greater than ever before, Horizon overmount sinks present a contemporary and versatile option that can cope with even the most challenging family-size wash ups. The large, deep bowls manage oversized pots and platters that don't fit in dishwashers, and the drainer pattern is purposefully designed to maximise water flow back into the bowl whilst enhancing the modern on-trend appeal.

- ✓ Contemporary square design
- ✓ Generous 1.75 straight functional bowl
- ✓ 24l & 18l capacity bowls
- ✓ Sturdy tap landing
- ✓ Includes stainless steel basket waste
