

Product Specification Sheet

Illusion 203 Swivel Mirror With LED Light, Demister And Chrome Frame – ID-X5-C

The Illusion magnifying mirror adds convenience to your room. This mirror has adjustable swivel arms that can be folded back against the wall or pulled forward. The white LED light is illuminated on your face and this coupled with the 5x magnification makes it a perfect option for shaving and make-up applications. It has touch sensor on the base of the unit and demister on the mirror, ensuring it is clear all the time.
