SilkSurface™ 20mm SOLID SURFACE COLLECTION

SilkSurface is the right choice for enduring beauty. Manufactured using a special multi-process technique, these solid surfaces have a beautiful blend of colours with a realistic natural appearance. Tops made from our SilkSurface range are high performance 20mm solid surfaces.

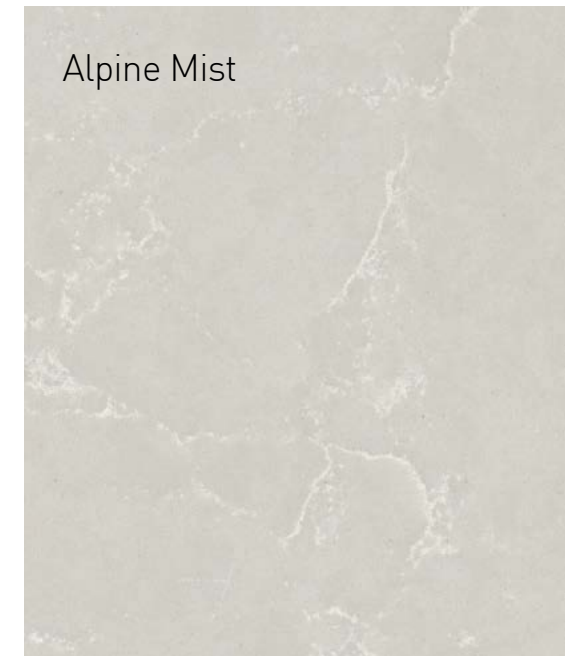

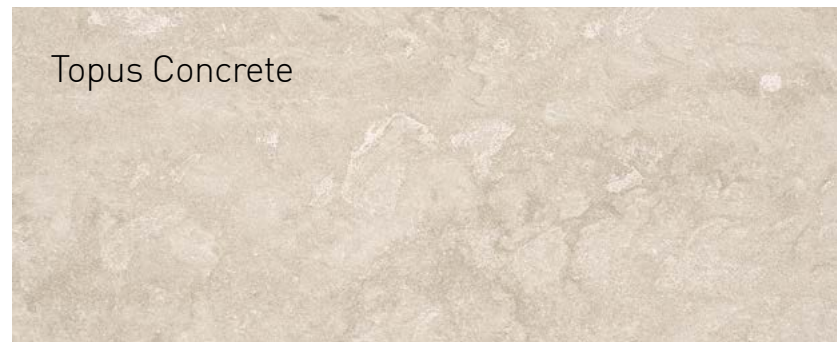

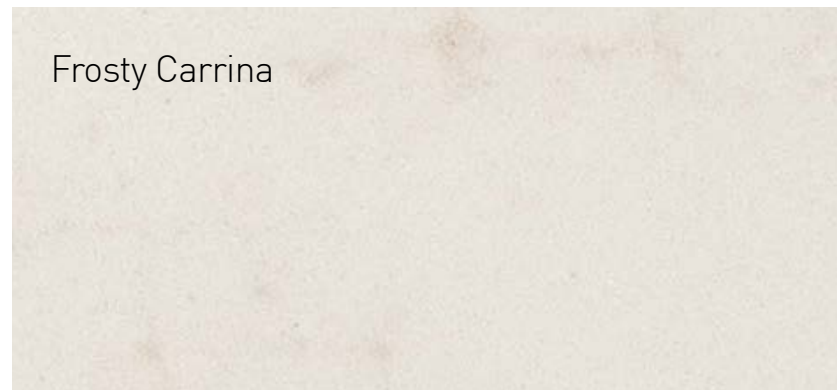

SilkSurface may be substituted for equivalent colours if required.

SilkSurface is manmade slab with a mineral composite resin base. As each slab is individual, natural variation in graining and colouring is to be expected. While the colours in this brochure are to the highest standard in printing, it should only be used as an indication of actual product design. Please visit your local showroom to view larger samples.

caesarstone® 20mm COLLECTION

A classic and natural look! Caesarstone® is a 20mm thick engineered stone product has all the timeless beauty of natural stone. Manufactured with 93% natural quartz the durable surface is a practical, easy to clean, hard wearing option.

NOTE: While the colours below are our core range, we can access any of the Caesarstone 'Classico' 20mm range for the same price, with the exception of the 'Super Natural ULTRA' colours.

Caesarstone may be substituted for equivalent colours if required.

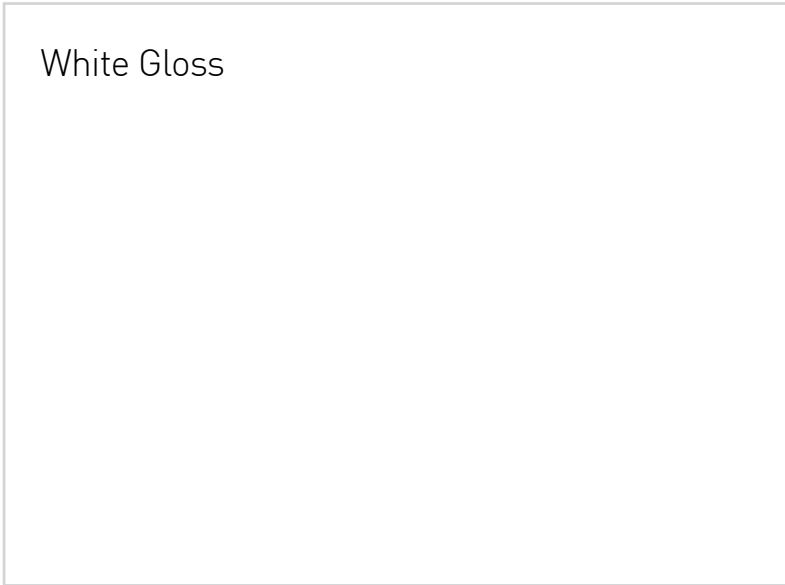

Caesarstone is made from natural quartz and therefore some variation on colour and aggregate may occur. While the colours in this brochure are to the highest standard in printing, it should only be used as an indication of actual product design. We always recommend making a final colour selection by viewing displays of larger panels in your nearest Caesarstone or kitchen retail showroom to appreciate the movement of the design over a large surface.

STANDARD PAINT COLOUR COLLECTION

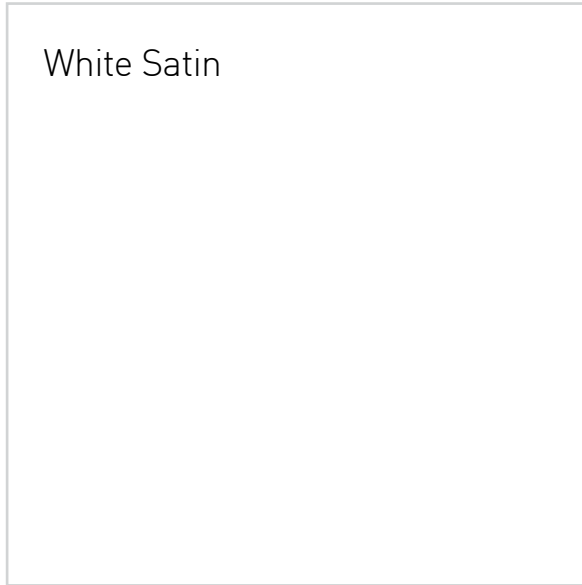

Choose any of these colours for any of our vanities, tallboys, shaving cabinets or mirrors at no extra cost! All painted colours are finished with our durable 2 pack polyurethane hardening process, which makes them easy to clean and hard-wearing.

Shaker routed vanities including Henley and Victoria ranges are only available in painted finishes.

White Gloss

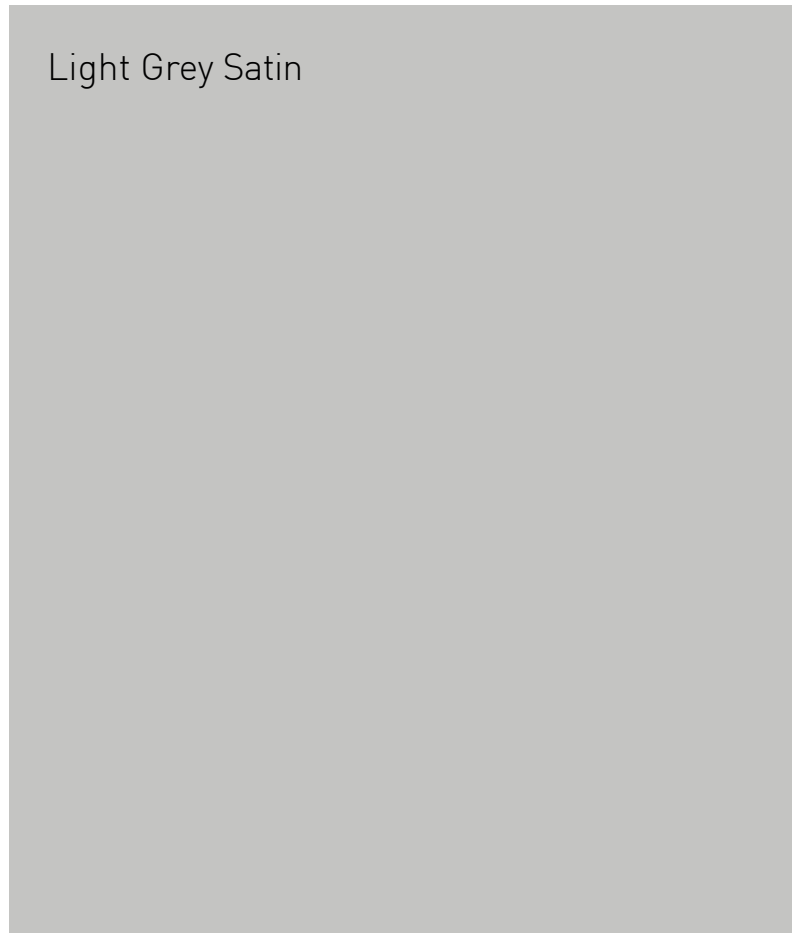

White Satin

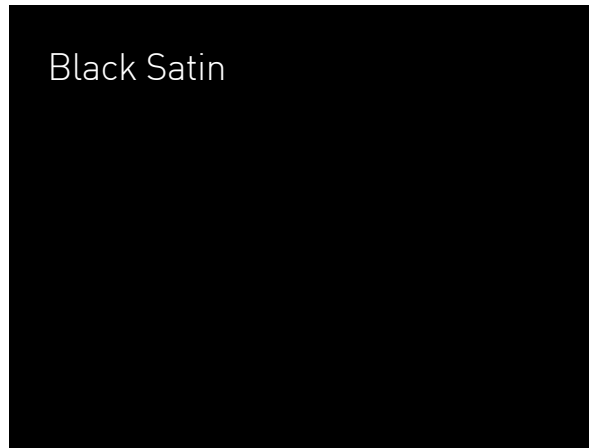

Dark Grey Satin

Light Grey Satin

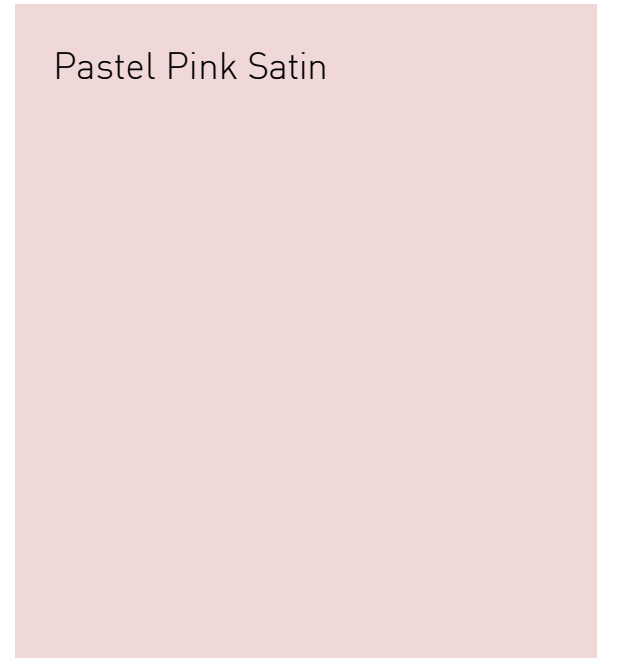

Black Satin

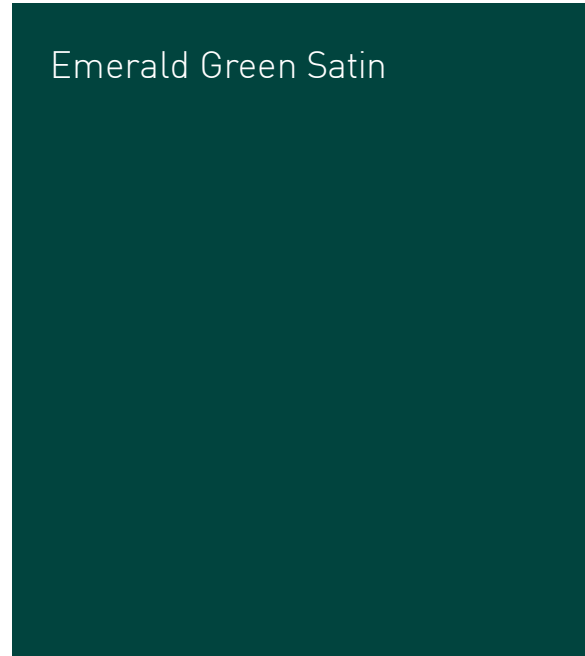

Duck Egg Blue Satin

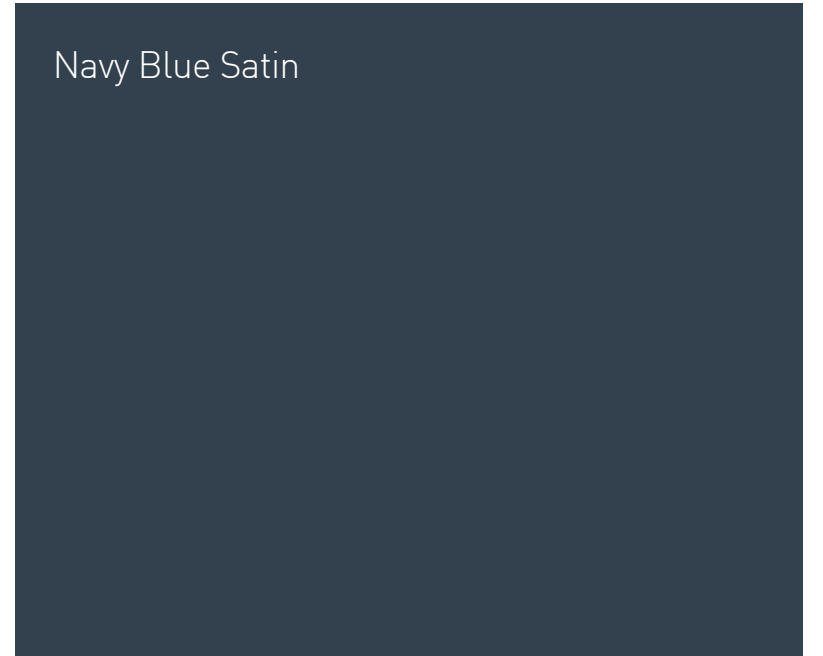

Pastel Pink Satin

Emerald Green Satin

Navy Blue Satin

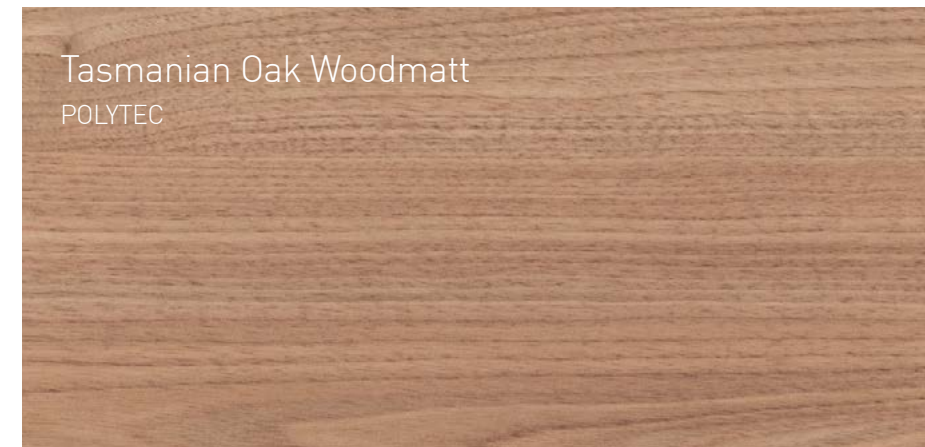

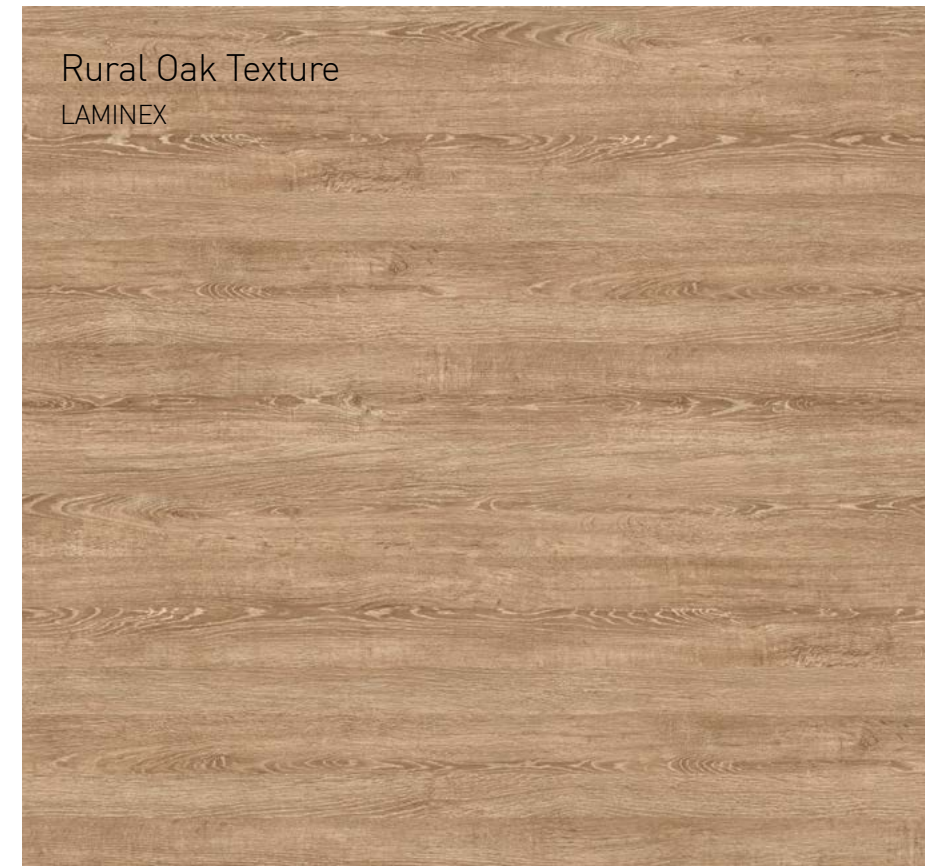

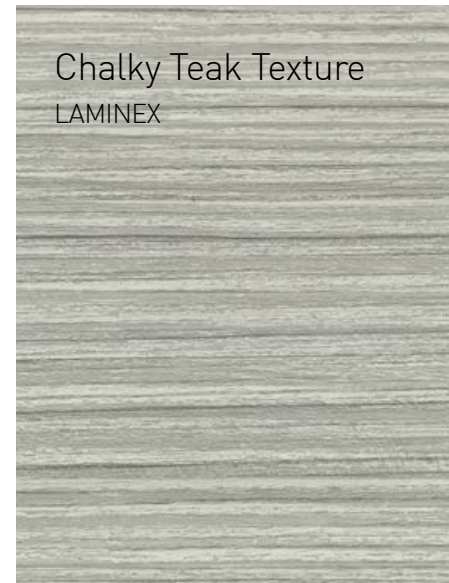

Satin finish standard unless specified for pastel colours.

Note for Special Colours: Gloss finishes look distinctly different to sample matt finishes. Painted colours can vary slightly between batches.

STANDARD WOODGRAIN CABINET COLOUR COLLECTION

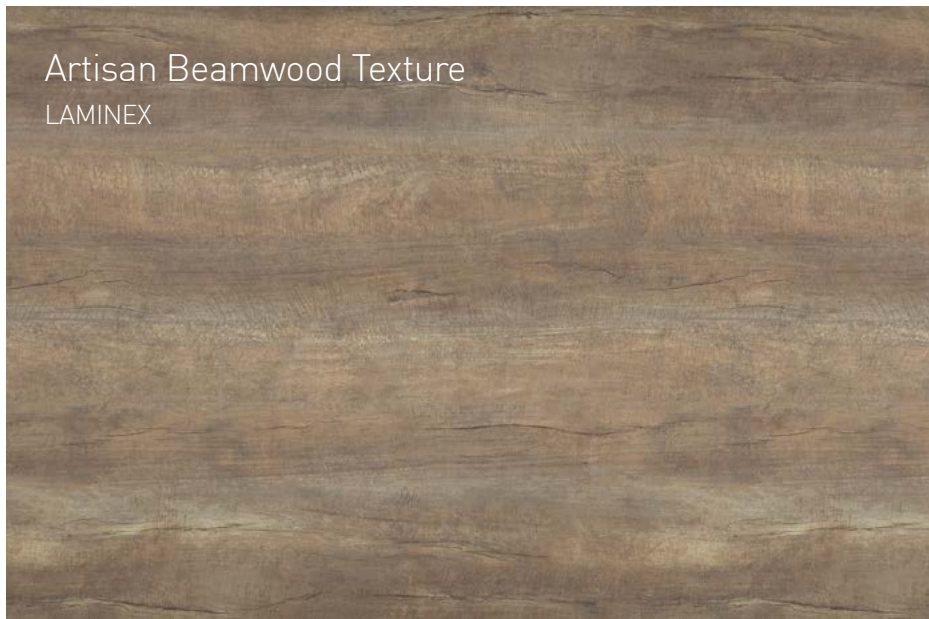

Choose any of these colours - at no extra cost! The Melamine woodgrain finishes are ultra durable and add warmth and colour to your bathroom. Some woodgrains have a matt finish while others have a realistic texture. Please make sure you check out actual colour samples before placing your order. Obviously it is impossible to get a perfect reproduction of the real colours in a printed brochure. Colours may be substituted for alternative matching brands.

Woodgrain finishes are not available on shaker routed vanities.

Note for woodgrain cabinets: Due to manufacturing process grain patterns do not line up across panels. Horizontal grain is standard on vanity units. Grain direction may vary for tallboys and shavers.
