

Product Specification Sheet

Ortho Wall Basin/Bath Mixer Set 200mm Brushed Nickel – 100-7810-44

The Ortho range incorporates pure form and minimalism, which conceals its ceramic cartridge technology. The white/matte black handle ring serves as a strong visual element that gives this product its unique signature while providing a clear and simple user-interface. The progressive cartridge technology affords a single circular motion for exact temperature control.

- ✓ Comes with both white and matte black styling ring
- ✓ Circular dial
- ✓ Designed in Australia
- ✓ Brushed Nickel finish (also available in chrome)
