

Product Specification Sheet

Powder 360 Round Oxyform Basin Matte Seal – POWRO360SEA

The Basin Lab manufactures handcrafted bathware from a pure source, low VOC resin composite called Oxyform, designed exclusively for The Basin Lab products. Oxyform is virtually chip and crack resistant plus, anti-corrosive and resistant to most daily use. Luminous like lightly dusted snow-capped peaks, The Basin Lab's Powder Range is available in twelve dreamy muted hues.
