

Product Specification Sheet

Renee Rimless Back To Wall Toilet Suite - RETSWFS

The Renee rimless universal back-to-wall toilet suite has a minimalist style & timeless elegance. The back-to-wall design allows it to be installed flush up against a rear wall which is easier for cleaning & saving space. It has the latest in hygiene, technology features. The rimless toilet bowl & powerful Cyclone Flush technology gives superior cleaning results after every flush. The protective Nano Glaze coating prevents dirt build up on the surface making it easy to keep hygienically clean.
