Product Specification Sheet

Sincerity Inset Basin 500x370 Solid Surface Gloss White – TOPTSIN5037-G

Inset basins sit just above the benchtop, with most of the basin hidden in the cabinet, that gives a seamless look rather than an Above-Counter or Semi-Inset basin. Inset basins work well with many tapware styles, including both basin mixers and wall taps. Inset Basins are a modern take on the traditional style of an Under-Counter sink.

- ✓ Inset or undermount fixture
- ✓ 5L to rim
- ✓ No overflow
- ✓ Basin suits 32mm waste with overflow (sold separately)
- ✓ Gloss White finish (available in matte white)
